Bernard Szymanski
Chairman

March 22, 2021

Hello Members and Friends of Claymore Center,

The Board of Directors sends everyone that donated to the 2020 Building Solicitation a robust Thank you!

With your generosity, the parking lot areas will be repaved/ repaired and the main roof covering the front of building will be re- placed. The obsolete fire suppression system in Kitchen will be replaced when we go into Phase III and start serving lunch again.

As always, we pick projects that are valid concerns for overall building needs:

- ◆ The HVAC Unit that services the Small Dining Room and part of the kitchen was installed in 1997. Replacing this unit will significantly help lower the electric bills and overall efficiency.

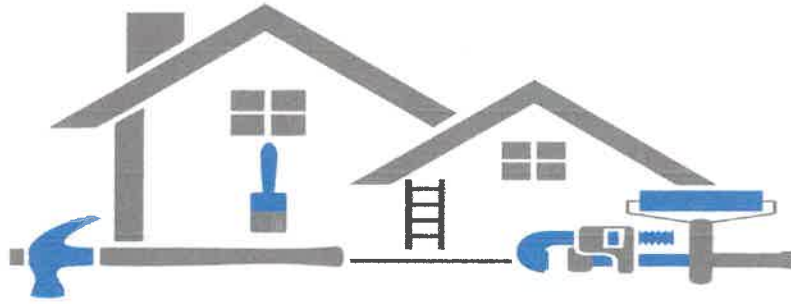

Please consider Claymore Center this Spring for a donation. Whether it is big or small, we do appreciate your thoughts for this year's solicitation mission.

Sincerely,

Bernard Szymanski, Chairman

Joan Dolan, Treasurer
